contracts:

Event facilities are hired subject to Battersea Power Station's standard licence agreement. A thorough schedule of hire will be required for each event. A standard template will be supplied and will form part of the licence agreement.

health & safety:

All hirers will be required to provide health & safety documentation for their event. A venue safety management plan is available for The View, subject to the hirer providing bespoke amendments according to event specifications.

advertising and promotion:

All hirers must submit advertising and promotional material in relation to their event for landowner approval in advance of release to the public domain.

damage deposit:

Will be required prior to any event. The value will vary depending on the event activity, length of hire and area being used.

fees:

All fees will be subject to a strict payment schedule and due in full in advance of the event.

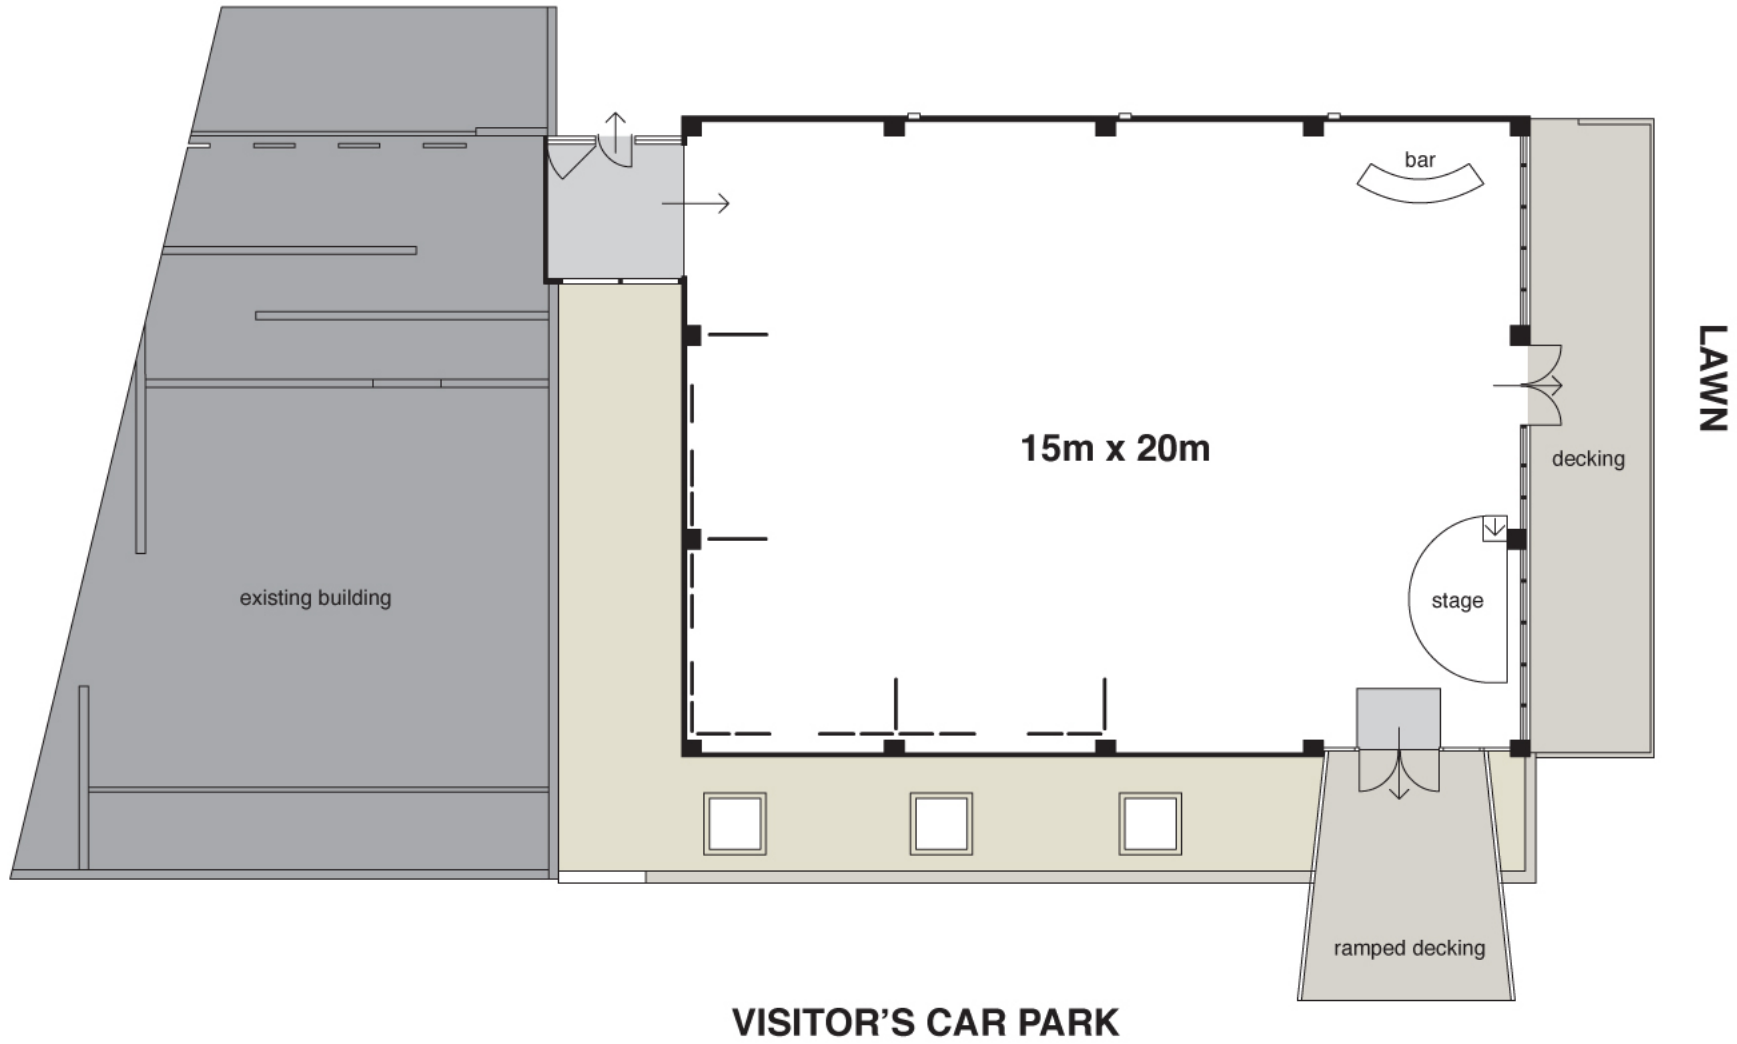

permissions:

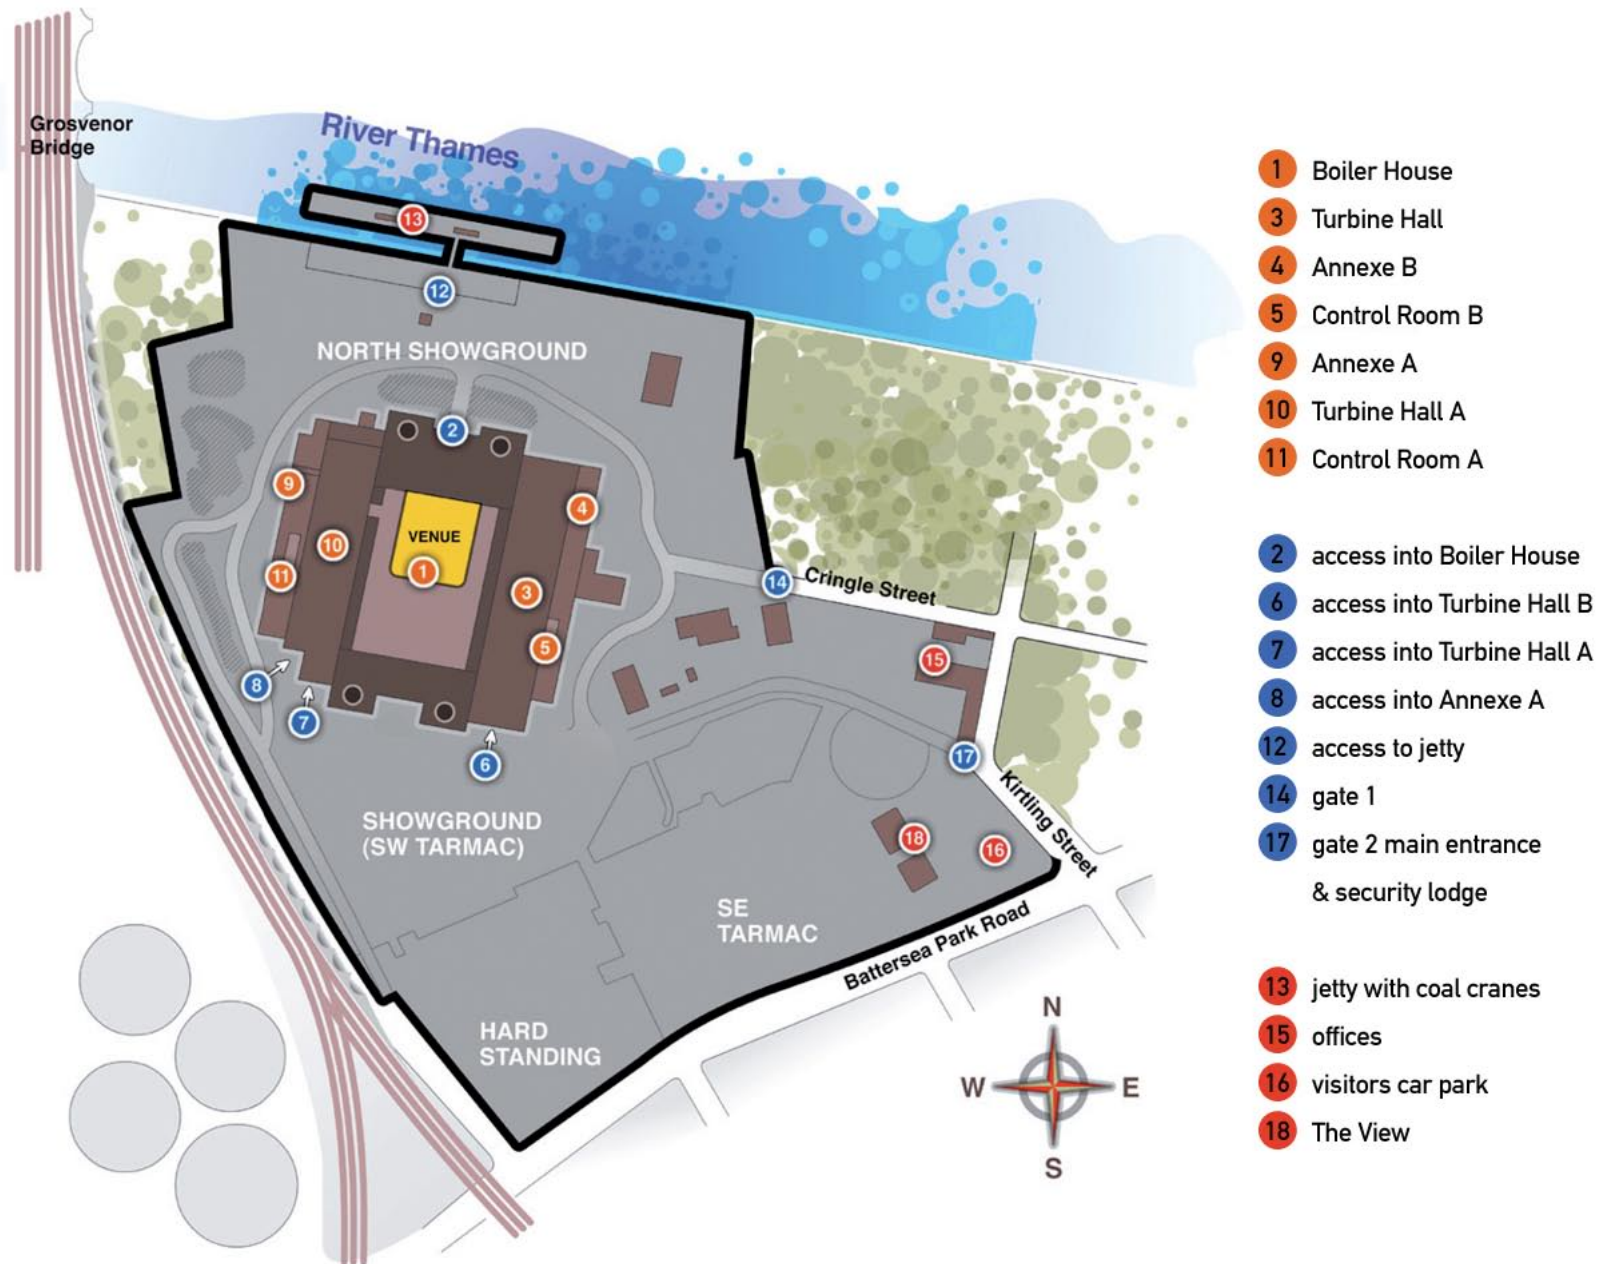

Planning permission and licences are required for events planned to take place on external areas of the site's Showground other than The View.
