

# Boiler House at Battersea Power Station

the power is back on at battersea

experience a dazzling evening in one of london's most iconic buildings; battersea power station is also one of london's most loved buildings. great architecture, its unique size and the history behind it make it an incredible sight.

the 2010 launch of the boiler house event venue inside the power station saw the the world-famous london landmark open its doors to indoor events for the very first time. in only months, the venue has firmly established itself as a red-carpet favourite. the unique boiler house at battersea power station is an adaptable venue for product launches, award ceremonies, private functions, fashion shows, charity balls, screenings, receptions, exhibitions and banqueting and more. recent major launches and events include call of duty: black ops and battersea dogs home's 150th anniversary gala with live performances from queen's brian may and roger taylor, roger daltrey and alexandra burke and staged the atp world tour finals tennis gala in 2011 with roger federer, rafael nadal and andy murray attending.

## we're here to help:

battersea power station is a grade II listed heritage building. staging an event in the boiler house may require a variety of permissions and conditions to be met and specific documentation to be secured. industri has steered and assisted many clients through the processes involved in staging events on the site. we are on hand to guide you, put you directly in touch with any required third parties and assist you where needed. please contact our events team on 020 7269 7935 or email [paolo@industri.uk.com](mailto:paolo@industri.uk.com) with any initial queries you may have.

## hire type:

all event facilities are available on a dry hire basis only.

## contracts:

event facilities are hired subject to battersea power station's standard licence agreement. a thorough schedule of hire will be required for each event. a standard template will be supplied and will form part of the licence agreement.

## health & safety:

all hirers will be required to provide health & safety documentation for their event. a venue safety management plan is available for the boiler house, subject to the hirer providing bespoke amendments according to its event specifications.

## advertising and promotion:

all hirers must submit advertising and promotional material in relation to their event for landowner approval in advance of release to the public domain.

## damage deposit:

will be required prior to any event. the value will vary depending on the event activity, length of hire and area being used.

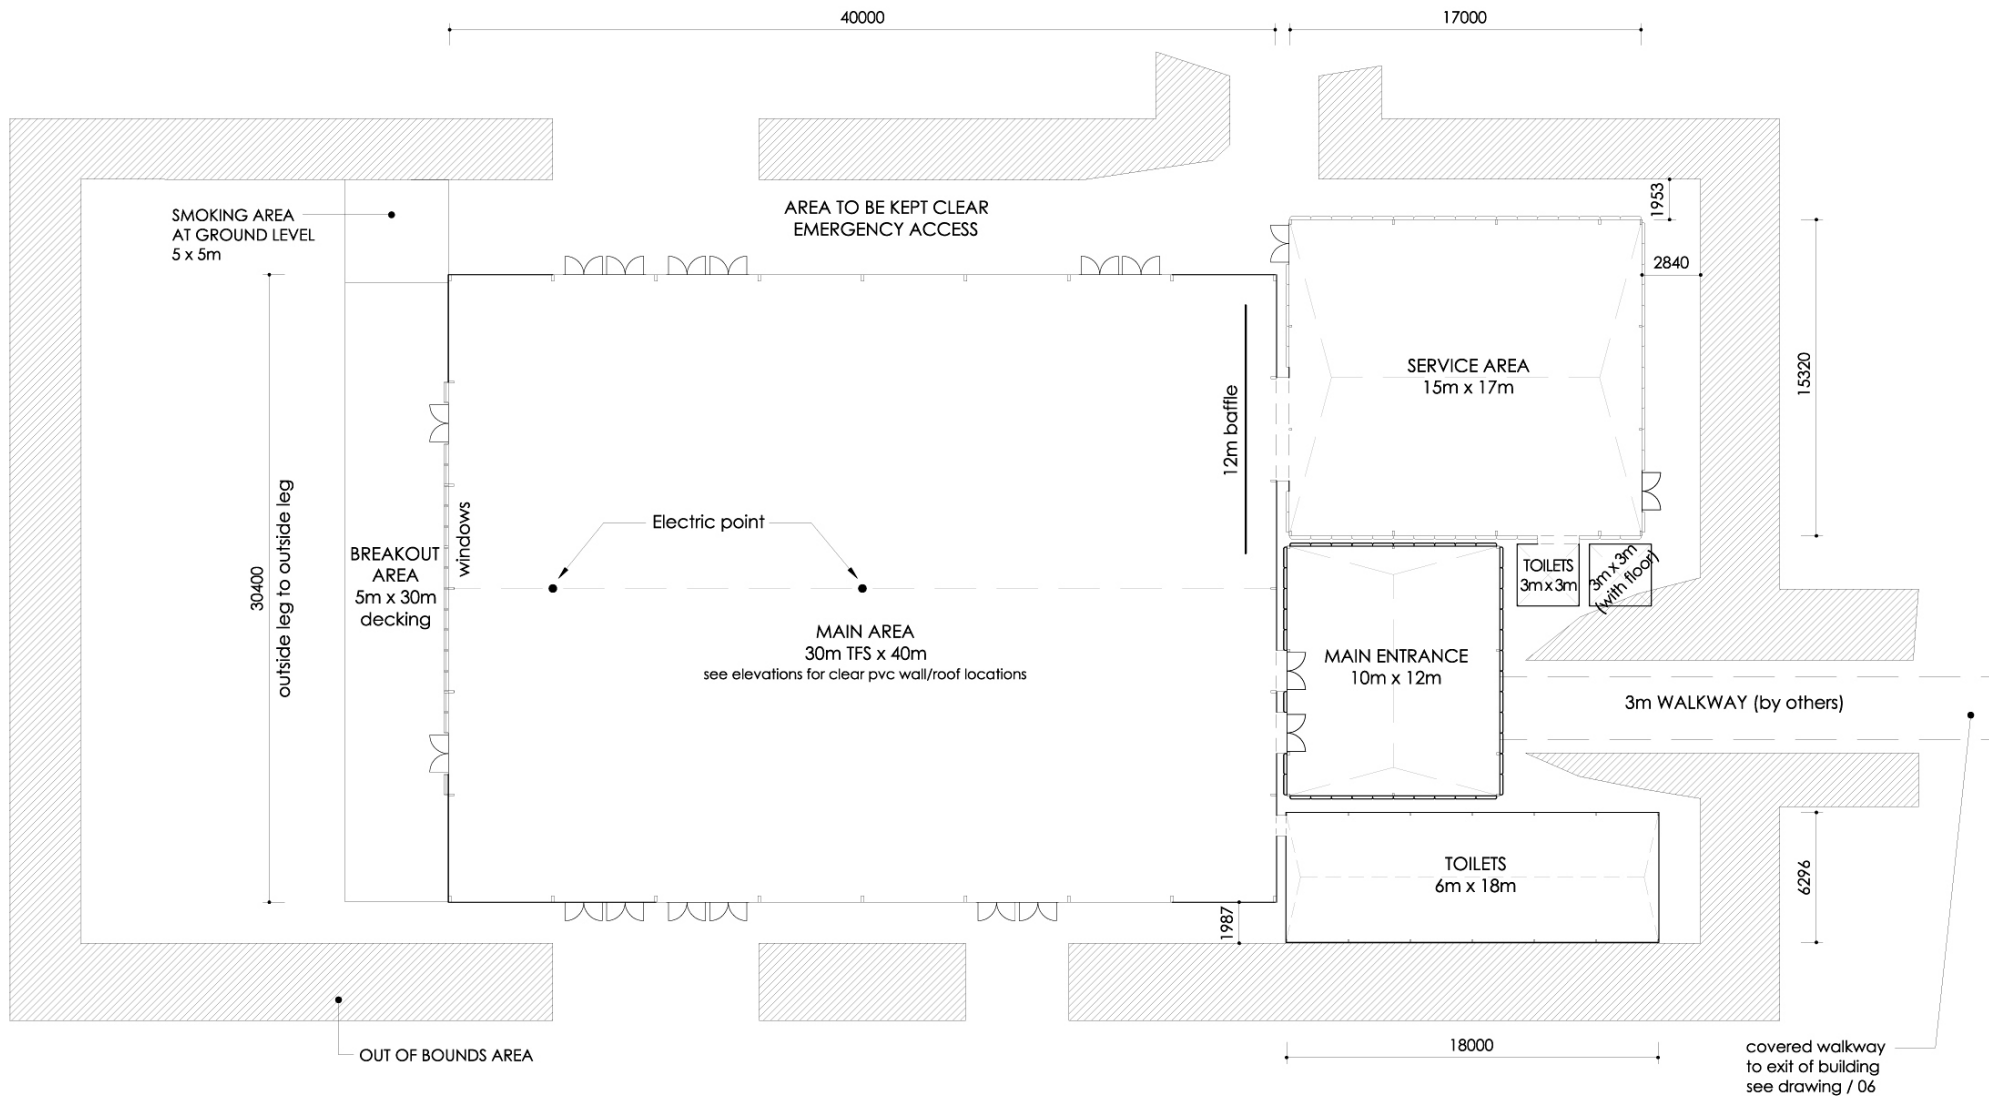

## fees:

all fees will be subject to a strict payment schedule and due in full in advance of the event.

## permissions:

planning permission and premise licence secured for the boiler house venue.
